

Instructions for Childrens Blessing Frame Craft

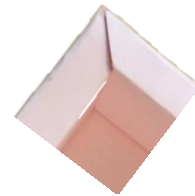

You will need:

- Template
- Quilling paper
- Tooth pick
- Glue
- Scissors
- PVA glue

What to do:

FRAME:

1. Cut along the solid line
2. Fold along the dotted lines and glue where stated on the template
3. Insert each corner into its neighbour's, one by one, as shown in the picture and glue if necessary.

QUILLING LEAVES:

1. Wrap a quilling paper around a toothpick tightly to get a circle. Stick the end down.
2. To create the leaf/ petal shape take another quilling paper wrapping around the circle and leaving a space whilst creating the petal shape you want.
3. Stick the end down with glue.
4. Repeat steps 1-3 to make more leaves.

Create any other shapes or designs that you would like to be on your frame.

Using PVA glue, stick the leaves and any other decorations that you have made onto the frame.
