

Before eating in the Succah we say this blessing:

בְּרוּךְ אַתָּה ה' אֱלֹהֵינוּ מֶלֶךְ הָעוֹלָם אֲשֶׁר קִדְּשָׁנוּ בְּמִצְוֹתָיו וְצִוָּנוּ לַיִּשֵׁב בַּסֻּכָּה

We shake the 4 Species every day of Succot (Apart from Shabbat)

Every time we sit in the Succah we fulfil a Mitzva. But we only make the special Succah bracha if we are eating as well

The 4 species represent all different types of Jewish people

When we step out of our sturdy home and enter the temporary Succah we remember Hashem's special protection

When we work together we create a space for Hashem in our lives
